

ANGSANA Ihuru

COMPLIMENTARY FACILITIES & SERVICES

Coral Planting

Assist recovery and help restore the beautiful reefs by transplanting coral fragments. Swimmers of all ability are welcome to join.

Catamaran Sailing

Learn the ways of the wind! Take the catamaran and cruise along turquoise waters of the Maldives.

Save the Reef

Join our Marine Lab team as they remove coral predators which poses threat to the coral reefs.

Kayaking

Venture out into the crystal clear waters of the Maldives!

Marine Talk

Learn more about the beautiful world of the Maldives and traditional local culture.

Bodu Beru

Dance into the beat of the drums and enjoy a night of Maldivian cultural music.

Housereef Snorkeling

Snorkel in one of the most well preserved house reef. Mask, fins and snorkel are provided on complimentary basis.

Edhuruveshi

An interactive station where guests can learn more about the marine environment, conservation works and Maldivian culture and tradition.

Yoga Classes

Listen to the waves and rejuvenate your mind, body and spirit. Be guided by our in-house Yogi and rediscover the path to your inner peace.

Swim Across The Channel

Enjoy this unique experience to swim between two islands every first Saturday of the month.

Angsana Ihuru
North Male' Atoll
Republic of Maldives

Standup Paddleboarding

A unique sport that will allow you to stand up on a board and paddle through the crystal clear water of the Maldives.

Wind Surfing

Enjoy combined surfing and sailing experiences. This activity is complimentary after passing the check sail.

Beach Volleyball

An exciting beach activity for family and friends to enjoy.

Stingray Feeding at Banyan Tree

Learn about these iconic pink whiptail stingrays which have been gracing our shore since 1999.
